Who We Are

Ukraine Recovery Aid (URA) is a non-profit association under Articles 60 ff. of the Swiss Civil Code (ZGB), based in Lenzburg (AG). The association is politically independent and non-denominational.

What We Do

Ukraine Recovery Aid supports people in Ukraine in coping with the consequences of war and rebuilding their country — through targeted and sustainable local projects.

How We Work

To achieve our goals, we organize dedicated events and projects. We closely collaborate with international organizations, government bodies, and other charitable initiatives both in Ukraine and Switzerland.

Our Relief Projects 2025

Enabling Education - Providing Laptops for Schoolchildren

We collect laptops and tablets to enable children to continue their education online despite destroyed schools and unstable conditions.

Enabling Education - Safe Learning Spaces & Trauma Support

We create safe spaces where children can learn and heal. Our art therapy workshops help children overcome trauma and find hope again.

Securing Medical Aid - Healthcare for the Vulnerable

Together with our partner organizations, we provide free medical care for internally displaced persons, children, and people with disabilities. We supply necessary medical equipment and secure additional funding for sustainable project support.

Supporting People with Disabilities - Christmas Campaign 2025: Hope for Children in Zaporizhzhia

We support families with children with disabilities near the frontlines by providing aids, medications, and developmental toys. This project is funded through our "Christmas Ornament for a Good Cause" workshops.

Promoting Intercultural Exchange - Building Bridges between Ukraine and Switzerland

Our intercultural workshops foster understanding and dialogue between Ukraine and Switzerland. All proceeds go directly to our aid projects. We also offer workshops for corporate volunteering, team-building events, and private occasions.
